Subject: LU/50/21 20 Beachhuts

Dear Sirs

I strongly object to the views of the sea being marred by 20 more beach huts as proposed. The seats now placed for views of the sea will only have narrow slits to see through and another great block of ten will completely ruin the views of the sea. I think it is just greed by the Council. What about people who walk along the prom and will now have no view of the sea for a very long distance, especially those unable to walk on a stones beach.

B Hughes
