Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/50/21/PL
Site Address: Littlehampton Promenade South of Putting Green Sea Road Littlehampton
Description of works: Provision of 20 No. new beach huts on concrete bearers to broadly match existing.
This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 19th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35207

There may be demand for more beach huts, but does that mean more should be installed by the Council along the top of the beach? The existing beach huts are already many in number and already take up so much of the views for a long stretch of the Promenade.

Having a new block of ten, as well as infilling existing blocks with new huts, will just make the blocking of the beach and sea view even longer and thus the walk along the Promenade behind the huts even more bland. The existing huts already block the views of the sea enough and the existing gaps give a good and welcome break to be able to see through, for those who can't walk on the beach easily, if at all.

The proposed total of 20 new huts will benefit those who can afford to pay for them, but would block yet more of the amenity of the beach and sea views from this long part of the Promenade for many more.

Your views as made above will be considered before the application is determined.
