Subject: Planning application LU/50/21/PL

Dear Mrs. Gardner ,

With reference to the above application concerning more beach huts near the Putting Green in Littlehampton. I support the proposed small row of beach huts but not the infill huts as the glimpses between the existing huts provide much appreciated views whilst walking along the promenade , plus access and photo opportunities. Could my views please be taken into account when the planning application is considered ?

Yours sincerely,
Helena Plowright
