LITTLEHAMPTON RIVER ARUN EAST BANK TIDAL WALLS

Schedule of Non-Material Amendments Sought

Reach Number and Reason for Change	Planning Application Drawings	New Drawings
Reach 6 – To show reach 6	463457-PLAN-003 rev P1 (red line plan)	463457-PLAN-003 rev P1 (red line plan)
Reach 6 – Reduction in flood embankment height and footprint **Reason for Change** – Reduction in volume of material import	463457-CIVIL-601 rev P3 463457-CIVIL-603 rev P2	463457-CIVIL-601 rev C1 463457-CIVIL-603 rev C1
Reach 6 – Reduction in working bund footprint **Reason for Change** – Design refined to reduce material import and to include alterations to existing drainage structures as more information was made available. The existing manhole is to be raised to prevent flooding of the chamber; the fence line is being raised to take account of the new ground level and the filter drain is included for information (as it is now redundant).	463457-CIVIL-601 rev P3 463457-CIVIL-604 rev P2	463457-CIVIL-601 rev C1 463457-CIVIL-604 rev C1
Reach 6 – Change in tie-in detail with existing defence at northern end **Reason for Change** – To complete the defence line without disturbing the existing fence boundary	463457-CIVIL-601 rev P3	463457-CIVIL-601 rev C1
Reach 6 – Reduction in overdig beneath embankment footprint **Reason for Change** – Further site investigation information available allowing refinement of the design	463457-CIVIL-603 rev P2	463457-CIVIL-603 rev C1
