Dear Cian

Littlehampton Arun East Bank Tidal Walls
Town and Country Planning Act 1990 (as amended) – Application for Non-Material Amendments following a Grant of Planning Permission

The construction of flood defence improvement works along the River Arun frontage comprising steel sheet piling, concrete flood walls, embankments and scour protection with managed realignment works in the northern section, Littlehampton BN17

Thank you for your help to date with regard to this application. Further to our recent discussions, thank you for your e-mail of 24 February 2014 confirming your support for the submission of this application for non-material amendments in Reach 6.

On behalf of our client, the Environment Agency, I'm pleased to enclose our planning application for proposed non-material amendments at Reach 6 of the Littlehampton Arun East Bank Tidal Walls, Littlehampton BN17. This application sets out non-material amendments to the planning permission for construction of flood defence improvement work and managed realignment works in the northern section granted in September 2013, your reference number LU/152/13.

This application is submitted on behalf of the Environment Agency and comprises the following documents:

- Non-material amendment application forms, including list of persons notified;
- A schedule describing the non-material amendments we are seeking to make, listing the old plan / drawing numbers, listing the new plan / drawing numbers and stating why the Environment Agency wish to make these amendments;
- the old plans / drawings; and
- the new plans / drawings.
