PROJECT: SUPPORTED LIVING UNIT

LOCATION: STRAWBERRY GROVE

CLIENT: CONSENSUS SUPPORT

OUTLINE BRIEF: CHANGE OF USE FROM A GYM TO
6NO. SUPPORTED LIVING UNITS
EXTERNAL WORKS ONLY

REVISION: P5

REVISION DATE: 03/03/2026

PROPOSED MATERIALS

Boundary Treatments and Fencing

Close boarded timber fencing to the perimeter of the site. Replace existing fences where required with 'like for like'. Locally sourced.

Estate Style fencing as noted on the site plan.

Car Parking

Car Park, site access and footpaths to be formed using Precast concrete kerbs to suit layout. Pin kerbs will form the back of footpath and internal footpath areas.

Site accesses and car parking will be formed in permeable asphalt and demarked with thermoplastic road markings (as required).
