Dear Mr Dowling

**Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015
Application for Householder Planning Permission**

Development Proposed extension
Location 5 Camelia Close Littlehampton

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following items are received or resolved:-

Block Plan

Apologies for the delay in responding to you. The area of the extension is required to be highlighted on the block plan so it is clear where the extension actually is. In this case it will be hatched on top of the existing footprint where the first floor extension is situated. Please amend your block plan.

For further guidance or to obtain the documents as required above please refer to our website:
<http://www.arun.gov.uk/making-a-planning-application>

If you are unable to download the required documents from the web site please contact the above officer who will arrange to post a paper copy to you.

Please provide the above by **23rd March 2017**. If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.

Yours sincerely
