Application for Planning Permission; Listed Building Consent for alterations, extension or demolition of a listed building

Town and Country Planning Act 1990 (as amended); Planning (Listed Buildings and Conservation Areas Act) 1990 (as amended)

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Site Location

Disclaimer: We can only make recommendations based on the answers given in the questions.

If you cannot provide a postcode, the description of site location must be completed. Please provide the most accurate site description you can, to help locate the site - for example "field to the North of the Post Office".

Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

Installation of 3000mm high welded mesh fencing and associated single leaf gate along a section of the northern boundary line; as well as along the rear elevation, to be installed offset from any flint wall that may be present. Ornamental fencing and associated gates to be installed, located adjacent to the existing southern side entrance to the building, as well as the installation of 3000mm high welded mesh fence encapsulating the existing boiler room to the rear of the building.

The existing side secondary entrance is proposed to be demolished, with the existing ramped access and associated fixings to be removed. The ground is to be made good to match the existing. Wall repairs are to be surveyed in detail following the careful removal of the flat roof extension, with specialist repairs to be specified to ensure the appropriate conservation and repair of the south elevation wall and to prevent the appearance of blemishes/scars within the masonry - all repairs are to be conducted using materials to match the existing and a specialist contractor will be employed to complete this portion of the work. The existing step down from the external door and level platform will remain unchanged along with the existing stepped access. This is compliant with the requirements of Approved Document Part M as the principal entrance of the building to the front elevation is an accessible entrance. There is also a further accessible entrance to the rear of the site. Following receiving feedback from a previous planning application, the fencing design has been revised to reflect the comments provided by the planning authorities, with particular consideration being given to the heritage officers comments. In accordance with the recommendations included within these comments, the following design changes have been included within the revised proposal:

- Fencing style to the front elevation has now been specified as ornamental, to provide a more decorative finish in keeping with the original appearance of the building.
- The height of the fencing/gates to the front elevation has been reduced to 2.0m. This reduces the visual impact of the fencing proposal on the prominent front elevation of the building.
- Fencing to the front elevation has been set back away from the front elevation of the building, to reduce the visual impact of the fencing proposal on the prominent front elevation of the building

The final design and location of the fence and gates was discussed with the faculty and staff to establish, suitability, locations and gate control methods which are illustrated in the submitted drawings:

- The Flintstones Centre - Location Plan (Works Area and Site Boundary)
- The Flintstones Centre – Fencing Layout As Proposed"

Has the development or work already been started without consent?

☐ Yes

☒ No

Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- ☐ Don't know
- ☐ Grade I
- ☐ Grade II*
- ☒ Grade II

Is it an ecclesiastical building?

- ☐ Don't know
- ☐ Yes
- ☒ No

Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

- ☒ Yes
- ☐ No

If Yes, which of the following does the proposal involve?

a) Total demolition of the listed building

- ☐ Yes
- ☒ No

b) Demolition of a building within the curtilage of the listed building

- ☐ Yes
- ☒ No

c) Demolition of a part of the listed building

- ☒ Yes
- ☐ No

If the answer to c) is Yes

What is the total volume of the listed building?

3206.24

Cubic metres

What is the volume of the part to be demolished?

14.26

Cubic metres

What was the date (approximately) of the erection of the part to be removed?

Month

January

Year

1990

(Date must be pre-application submission)

Please provide a brief description of the building or part of the building you are proposing to demolish

The existing side secondary entrance is proposed to be demolished, with the existing ramped access and associated fixings to be removed. The ground is to be made good to match the existing. Wall repairs are to be surveyed in detail following the careful removal of the flat roof extension, with specialist repairs to be specified to ensure the appropriate conservation and repair of the south elevation wall and to prevent the appearance of blemishes/scars within the masonry - all repairs are to be conducted using materials to match the existing and a specialist contractor will be employed to complete this portion of the work. The existing step down from the external door and level platform will remain unchanged along with the existing stepped access. This is compliant with the requirements of Approved Document Part M as the principal entrance of the building to the front elevation is an accessible entrance. There is also a further accessible entrance to the rear of the site.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The existing side secondary entrance, which is in the form of a porch/extension area, is proposed to be demolished. The building currently operates as an educational facility, in the form of a pupil referral unit. Following a number of security breaches, it is proposed that additional security fencing is to be installed to the site to safeguard the pupils of the facility. As the Flintstone Centre is a listed building, and following advice provided by the planning authority/heritage officer, it is proposed for the fencing to be offset from the front elevation of the building, to reduce the impact that the fencing will have on the visual appearance of the building. The side extension and ramped access is proposed to be demolished in order to ensure that the secondary entrance can be encapsulated within the boundary of the new security fencing that is offset from the front elevation of the building.

Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

- ☐ Yes
☒ No

Listed Building Alterations

Do the proposed works include alterations to a listed building?

- ☐ Yes
☒ No

Materials

Does the proposed development require any materials to be used?

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type:

Boundary treatments (e.g. fences, walls)

Existing materials and finishes:

None & chain link fence with gate between playground and building. Cobble wall of varying heights surrounding the perimeter of the building.

Proposed materials and finishes:

Ornamental style fencing and gates to the side elevations of the building that may be partially visible from street view. Ornamental fencing style in keeping with the original construction style of the main building and to be black in colour. Welded mesh fencing to be erected to the rear of the building and to location that are not visible from street view. Welded mesh fencing to be green in colour to match existing fencing installed to playground area.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Site Area

What is the measurement of the site area? (numeric characters only).

791.57

Unit

Sq. metres

Existing Use

Please describe the current use of the site

West Sussex Alternative Provision College (WSAPC) Centre

Is the site currently vacant?

☐ Yes

☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

☐ Yes

☒ No

Land where contamination is suspected for all or part of the site

☐ Yes

☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

☐ Yes

☒ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway?

☐ Yes

☒ No

Is a new or altered pedestrian access proposed to or from the public highway?

- ☐ Yes
☒ No

Are there any new public roads to be provided within the site?

- ☐ Yes
☒ No

Are there any new public rights of way to be provided within or adjacent to the site?

- ☐ Yes
☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?

- ☐ Yes
☒ No

Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?

- ☒ Yes
☐ No

Please provide information on the existing and proposed number of on-site parking spaces

Vehicle Type:

Cars

Existing number of spaces:

25

Total proposed (including spaces retained):

23

Difference in spaces:

-2

Foul Sewage

Please state how foul sewage is to be disposed of:

- ☒ Mains sewer
☐ Septic tank
☐ Package treatment plant
☐ Cess pit
☐ Other
☐ Unknown

Are you proposing to connect to the existing drainage system?

- ☐ Yes
☒ No
☐ Unknown

Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's [Flood map for planning](#). You should also refer to national [standing advice](#) and your local planning authority requirements for information as necessary.)

- ☒ Yes
☐ No

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

- ☐ Yes
☒ No

Will the proposal increase the flood risk elsewhere?

- ☐ Yes
☒ No

How will surface water be disposed of?

- ☐ Sustainable drainage system
☐ Existing water course
☐ Soakaway
☒ Main sewer
☐ Pond/lake

Trees and Hedges

Are there trees or hedges on the proposed development site?

- ☒ Yes
☐ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

- ☐ Yes
☒ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

b) Designated sites, important habitats or other biodiversity features

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

c) Features of geological conservation importance

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

- ☐ Yes
- ☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

- ☐ Yes
- ☒ No

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- ☐ Yes
- ☒ No

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

- ☐ Yes
- ☒ No

Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

- ☐ Yes
- ☒ No

Hours of Opening

Hours of Opening

Are Hours of Opening relevant to this proposal?

- ☐ Yes
☒ No

Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

- ☐ Yes
☒ No

Is the proposal for a waste management development?

- ☐ Yes
☒ No

Hazardous Substances

Does the proposal involve the use or storage of Hazardous Substances?

- ☐ Yes
☒ No

Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

- ☐ Yes
☒ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 - Planning (Listed Buildings and Conservation Areas) Regulations 1990

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of **all** the land to which this application relates; **and** has the applicant been the sole owner for more than 21 days?

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
