OWPC45807

The Town Council's Planning and Transportation Committee considered this application at their meeting held on Monday 28 March 2022 and object to the application. In view of the listed status of the building and its proximity to the East Street Conservation Area, the Town Council objects to the plans on the grounds that the mesh fencing at rear would have a detrimental impact. The Committee would however be happy to review this decision if a proposal more sympathetic to the conservation area and status of the building were to be submitted.

Your views as made above will be considered before the application is determined.
