

4th April 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of ground floor from retail shop (A1 Shops) to hot food takeaway (A5 Hot Food Takeaway) & associated works.

22 Beach Road & 3 Evans Gardens Littlehampton

Thank you for your internet representation made on 3rd April 2017 which has been recorded as '**an objection**' with the comments as follows:

I write to you a second time with further information as to why I wish to object to this application . I object to this application with further information as it seems to me that there has been no consideration in reference to the access for the disabled whom have a disabled access to the rear of Collisons the opticians via Evans gardens, it seems quite obvious that this rear area is going to be full of pipe work and ducting and storage with which will reduce or stop the facility of disabled access and so make it very difficult for a disabled wheel chair bound person to access the opticians, Second and further more i presume that the applicants do know that there is a SCHEDULE OF RESTRICTIVE COVENANTS on the land known as 3 Evans gardens (the land or any part thereof nor shall the same be used as a parking ground nor for the storage of rubbish or building material oil or petrol) of which i must hasten to add that a motorcycle has both oil and petrol regardless of which statute you wish to use or state.

I again object to this application.

kind regards

yours faithfully

*Cllr Ian Buckland
River ward*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
