Proposed Development
LU/56/18/PDH

Date 27-3-2018

Dear sir

Reference to the proposed Development to 58 South fields road, Littlehampton, BN17 6PA
LU/56/18/PDH

We feel we must object to the proposed drawings by Sloane and Brown showing the external wall of our Exsisting Extension as a Party wall. This is completely wrong.

Drawing numbers 580/04 and 580/01 showing the rear elevation

If the Council still keeps past planning application details for 1983, Drawing no C8782/1 You can clearly see that the Boundary line runs along the face of our wall, Making it a Boundary wall not a party wall. (I do have a copy of these drawings if needed) We Feel this needs to be corrected to avoid any Future Misunderstandings.

Thank you
regards
