Subject: LU/56/19/DOC - Condition 5 Windroos - withdraw

Hi Richard

Further to our discussion on Wednesday re condition 5. We have the council's confirmation that the development could commence where Condition 5 would no longer be a pre-commencement condition.

WYG have continued to do their site surveys and have one more to carry out in the next month or so. Once completed the report of findings will be submitted along with the necessary details to discharge part 4 of the condition.

We therefore wish to withdraw LU/56/19/DOC at this time and will resubmit in due course.

Can you please confirm receipt of this email.

Regards

David Innes
