Dear Planning Officer,

AMENDED FRA - PRIOR NOTIFICATION UNDER SCHEDULE 2, PART 3, CLASS MA FOR THE CHANGE OF USE OF PART OF BUILDING ON GROUND FLOOR FROM RESTAURANT (CLASS E) TO DWELLING HOUSE (CLASS C3). 51 PIER ROAD LITTLEHAMPTON BN17 5LP

Thank you for consulting the Environment Agency on the above application.

We have reviewed the information as submitted and set out our position below.

Environment Agency position

As this development poses an unacceptable risk to life and property from flooding, we **object** to this application and recommend that planning permission is refused.

Reason

The site lies within Flood Zone 3 which is land defined by the planning practice guidance as having a high probability of flooding. Notwithstanding the mitigation measures proposed, the risk to life and property from tidal inundation would be unacceptable if the development were to be permitted.

The application does not demonstrate that occupants can remain safe for the lifetime of the development when allowances for climate change are taken into consideration. There is insufficient flood risk mitigation up to the design flood level and no specified arrangements for safe access and egress.

Overcoming our objection

To overcome our objection, the applicant should submit evidence to demonstrate that the proposal will not pose a risk to life and property as highlighted above.
