Dear Nicola

I have today received the attached request for additional information in relation to the submitted planning application at 14-16 Anchor Springs.

We are of course happy to provide the information requested. However, the information requested does not form part of the validation requirements for an application on this nature or scale and I therefore ask that the application start date be backdated to the date the application and fee was received, rather than the date that the additional information is provided. I would appreciate your comment on this.

I will endeavour to provide you with the requested information as soon as possible.

Best regards
Joanne Prichard
Savills Planning
