Mrs Gardner,

RE: 27 Clifton Road Littlehampton BN17 5TE

I refer to your letter dated the 12th of April 2022, enclosing details of a planning application relative to the above location.

I have examined the detail within this application from a crime prevention viewpoint and as a result I have concluded that, under the circumstances, further crime prevention advice is not relevant.

I thank you for allowing me the opportunity to comment.

Yours sincerely
