Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/60/22/PL
Site Address: 27 Clifton Road Littlehampton BN17 5TE
Description of works: Change of use (regularisation and part retrospective) from 11 bed HMO (Sui Generis) to a 20 bed HMO & 2 No dwellings (net gain of 1 No dwelling). This site is in CIL Zone 4.

Thank you for your internet representation made on 13th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47470

I would like to object to this application on the grounds that the raised platform at the front of this HMO overlooks my property and has been an area where residents congregate and cause loud noise and anti-social and nuisance behaviour which causes alarm and distress and lost sleep. I feel the location is unsuitable for such a large HMO due to the noise impact and traffic impact it will have on residents in the surrounding properties especially as far too many of the houses in the vicinity have already been converted to HMO's.

Your views as made above will be considered before the application is determined.
