We have very little green space in Littlehampton due to over development and now you want to build on a park that is enjoyed by so many.

Children run and play freely on that park has did my son, myself and my father and his father.

I still frequent that park daily with my dog, and the park with its many visitors help me greatly [REDACTED]

Why you would want to build a road through green space when there is plenty of brown sites with much easier access.

It is totally inconsiderate and inappropriate of ADC of wanting to destroy a park, and has I have stated already, I don't understand why ADC would want to.

With a big suburb like ours that small park is a god send.

For once be on the side of the residents and their needs in a time of such gloom.

Deborah Foreman
