Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 15th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45203

My objection is based on the impact this will have on local residents. Linden Park recreation ground is used widely and safely by many people. There is also Squirrels, Foxes, and many species of birds, I have on occasions seen Bats flying around in the evening. An access road across this recreation ground and Building would hugely impact all of the above, I would also like to quote, section 16 of the Littlehampton Neighbourhood plan and Arun district local plan which protects all existing parks. I have lived in this area for 30 years and have watched many children including my own, play and grow up using the park. I am now seeing these children as adults bringing their own children to play in the park. How can Arun council even consider it acceptable to take this wonderful facility away. There are plenty of other Brown sites available in the area, without impacting on people's leisure area.

Your views as made above will be considered before the application is determined.
