Application No: LU/61/22/PL

Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 16th March 2022 which has been recorded as an objection with the comments as follows:

I am pretty sure this has a covenant against any building work on the park. It is regularly used by the whole community including children, dog walkers, teenagers. You spent a great deal of money installing a new childrens play area and fitness equipment recently I am sure using tax payers money. There is limited access around that area anyway and the increase of traffic would be dangerous. It is almost impossible to get any emergency appliance down East Ham road or linden park .I am very much against this development.

Your views as made above will be considered before the application is determined.
