Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 18th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45328

I cannot express how significantly I object to this planning application. Linden Park is a real community hub where people walk their dogs and socialise, children play in the park all days and in all weathers, families gather together for picnics and friends meet for catch ups, all in a safe area with minimal traffic to reduce the risk to children. The impact of this application being granted will affect not only individuals physical health by taking away a safe exercise area but also significantly impact their mental health as Linden park allows individuals to walk around a green space with trees and birds or sit on one of the benches and have quiet time to meditate while listening to the positive sounds of birds and children playing while not needing to be too far away from their comfort zones especially if anxiety is a barrier. If this application is approved, then Arun District council is breaching its duty of care to the residents it is employed to protect and nurture.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
