Subject: Planning application LU/61/22/PL Linden Park/Recreation BN17 7BS

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I'm writing to strongly object to this planning application on the grounds:

1 I use this park daily x 7 days a week

2 Placing a road across this park will:

I, be a danger to children using the park from traffic

- ii be a danger to dog walkers from increased traffic
- iii General increase in traffic & noise to local residents
- iv Pollution to local area
- v Environmental concerns, trees & wild life.

Talked to older residents I believe this land had a covenant on it, left in her Will for the use for recreation by local residents.

Please take these into consideration and going to public consultation before making any decisions Thank you
Geraldine Massey
