Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 19th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45342

Whilst better broadband for the area is vital, it should not be built on Linden Park. This park is used by families and dog walkers and would be a great loss. The area creates a safe place for children to play football and the current plans would mean the loss of this facility. Even if the gated playgroup was left it wouldn't be as safe if a child got out and ran out in front of a van heading for the hub. Can this hub not be incorporated with the existing telephone exchange or even be built in the industrial estate behind the park. It does appear all units are currently in use.

Please do not allow for this little bit of green haven be taken away from the local residents
