Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 19th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45344

The immediate area around Linden Park is a home to lots of families who constantly utilise this safe space. It is their only local park in walking distance. Putting a road through and taking land for this development will substantially alter and reduce this much-used and enjoyed area of local green recreational land. This land, it could be argued, is a vital resource for maintaining local people's mental health and physical wellness; personally I would say just walking through the park makes one feel more positive. It is also a source of leisure (and support of local wildlife) which has, in these days of trying to reduce our environmental impact, no negative carbon footprint. It would be better for the community if our park were to remain as it is.

Your views as made above will be considered before the application is determined.
