Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 21st March 2022 which has been recorded as an objection with the comments as follows:

OWPC45355

I would be directly affected by this development as my garden backs onto the park and the proposed site. There are no yellow notices past the industrial estate despite homes in Gloucester Road being directly affected. There is established hedgerow around the area that would be torn up should this development go ahead. The site would be an eyesore in the lovely park. The park is used by all ages and the proposed development site is often used for dog training or teenagers just sitting in the evenings. This development could be sited in a more appropriate area as there is an industrial estate on the other side of the park with ready access and facilities. This is a small piece of green in a built up area, is well used by the community. Green space needs to be protected for the local children and not seen as a cash cow for the council. Maybe someone from the council would like to visit the site and come and speak to the locals. It is NOT "Not in my back yard" but recognising that there are more suitable sites
