OWPC45470

I would like to submit my object for building on our park this green space is used by many of the local residents as well as the local nursery, scouting groups and dog walkers

The government is pushing about saving green spaces at the moment and here we have a application to build on a park when there is other places this could be place

One place in particular if used would save money the park and have the building quicker

So please think of the families before building on the only green space within that high populated area

Your views as made above will be considered before the application is determined.
