Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 23rd March 2022 which has been recorded as an objection with the comments as follows:

OWPC45537

Linden park is the only green space in this community and serves many properties, it is not a large area and cannot afford to be reduced further by what will likely be an unsightly building and access road.

It has been brought to my attention that the council deems this park surplus to requirements which if true is absolutely outrageous. it is the ONLY green space and play area for this entire community where we have lived for the last 24 years, our children grew up using this park and many others continue to do so.

We are particularly concerned that if this application is approved it will set a precedent allowing further development on a green space.

How any park can be classed as surplus to requirements is beyond me especially considering how built up this area is.

Yours Sincerely

Mr K Lloyd
