Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 29th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45852

When we bought our house the park was such a huge plus point that it swung the vote. Our children play in the playground. We use the park so regularly that any building or cutting down of trees would be negative. There are other places to build. A road or any sort going past the entrance to the playground is always going to add potential for accidents.

Once we let part of our park go it's a slippery slope before more and more of it gets sold on. The council can't just sell it away because it's easier and cheaper than a more responsible option.

Please don't compromise our green spaces. We need as many of them as we can save.

Playgrounds and open spaces are so important the psychological well-being of everyone who has access to them. Playing in playground is a child's way of coping and working through things.

To take part of it away or to make it less safe for them would be the biggest shame.
