Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 30th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45864

Linden Park is a valuable small green space that serves the many residents in the local area. I object to this park being reduced in size should this proposal go ahead, and to the construction of a road across the park. When my children were younger, I was happy for them to walk there alone as it was just at the end of the street and they would have had to cross only two quiet roads. This helped them to develop their independence. I would not have allowed them to go alone to a park further away and I would not have allowed them to go to Linden Park alone if there was a road going across the field where they would be playing. Our park is not very big but it is precious to us and greatly enhances this residential area.

Your views as made above will be considered before the application is determined.
