MP Nick Gibb

Petition to prevent new road through Linden park

A petition to Arun district council.

Petition background: There is a planning of making a road cutting through Linden park to make access for new a fibre broadband exchange.

Which will tear up the park and the children's play area, causing families and their children to lose access to play and lose valuable green space. We want to prevent this.

Action petitioned for: We the undersigned affix our signatures for the petition in support against the new road in Linden park, and urge the council to cease plans of development.
