This park is one of the few green spaces left in Littlehampton. There's the beach, but precious little the further into town you get. Where are the kids supposed to play? I'm a leader with the Scout Group next to it and have seen firsthand the value that the local children have for an area where they can just be kids. Leave them space to run around and enjoy some of the world's simplest joys. Leave them the chance to be in a green space, opportunities to see wildlife and experience nature. Leave them a little shred of space in a place where so many new houses have already been built.

The park is also enjoyed by local people to walk their dogs, and by a host of wildlife. If you keep forcing communities out, where will they go? Please listen to your people and make alternative plans.

Your views as made above will be considered before the application is determined.
