Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 5th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46200

Surely this kind of construction should be implemented in the industrial concreted area in keeping with its design in the industrial estate. The placement is currently more suitable for a community orchard. The access driveway cuts the park in half, where many people gather in the summer while their children play. Community space is vital for our wellbeing. The fact is we should be protecting these areas improving the wildlife and connection with nature. To build on it would be irresponsible for wellbeing and as a carbon sink against climate change. These last few community spaces need protecting and nurturing. Making them more attractive for positive integrations, rather than encouraging antisocial behaviour which this sort of development could do.

Your views as made above will be considered before the application is determined.
