Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 8th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46415

I have lived close to this park since 1991, i was 7 when my family moved here. I played there as a child with my friends there when young, with the cubs and scouts and st john clubs, learned to ride my bike there, played football, walked our dogs there, and now i do the same with my nieces. All of this is not unusual and is still going on today. There is also a nursery school next to the park and they take the children to the park to explore. The building of a storage and distribution unit and an access road will take away the safty of this area and restrict the use for the young children running around having fun when there is a possibility of a vehical driving across the park. this is a small park area that is well used by many people in this area and reducing the size and safty I think is not very forward thinking when there are areas close by that would have no impact on the residants of this area. therefor I object to this planning application being approved.
