Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/61/22/PL
Site Address: Linden Park Recreation Ground Littlehampton BN17 7BS
Description of works: New Fibre Broadband Exchange (Use Class B8 Storage and Distribution). This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 11th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46522

I am writing to object to the proposed planning permission for the broadband/ storage and distribution building and access road. I have grown up using this park as a child and as an adult, and I manage the Nursery school that is next to the park. On a personal level I now use the park with my children and to exercise our dog, I also use the park with the nursery children and is a valuable resource to teach them about how trees, plants, birds and bugs work together. Some of these children do not have access to outside space and this park is essential to their development. The building of a road in the park would severely affect the safety aspect of the children when using the park with them. The park is used by a lot of people in this area joggers, dog walkers, children and people who need spaces like these parks to just have somewhere to sit relax and some that are struggling to cope with the pressures of modern life. There are many genuine reasons why this planning application is very unpopular with local residents and for slightly faster broadband, which can also be supplied by placing it on one of the trading estates that border the park, or on one of the vacant areas that do exist on these estates. For the children and young people in the parks catchment area they would need to cross a couple of residential roads and one main road with buses, lorries, vans and all other forms of transport. That does not sound like progress or considering local residents' needs to me.

Regards
Miss S Eaton
