Subject: RE: LU/62/17/DOC - Discharge of surface water drainage condition

Dear Anita,

Please find attached the ground investigation report and tree plan which shows the extent of the root protection zones to prove that soakaways are not viable. If you require anything further please let me know.

Kind Regards

Ben

Subject: LU/62/17/DOC - Discharge of surface water drainage condition

Dear Ben,

Please find attached a copy of the Engineer's comments. Can you let me have details to prove that soakaways are not viable? I would appreciate receipt within the next 2 weeks.

Regards

Anita
