

**WEST SUSSEX COUNTY COUNCIL
INFRASTRUCTURE CONSULTATION**

DATE: 28 July 2011

**FROM: Matthew Bartle TO: Arun District Council
FAO: Neil Crowther**

SUBJECT: LU/63/11 - Fitzalan Link Road Littlehampton

RECOMMENDATION:

Advice	☐	Modification	☐	More Information	☐
Objection	☒	No Objection	☐	Refusal	☐

The application is not supported by sufficient highways information to demonstrate that the proposed development will not be prejudicial to the satisfactory functioning of the highway and highway safety, contrary to objectives 3 & 4 of the West Sussex Local Transport Plan 2011-2026.

The applicant has carried out a pre-application process during which the principles and certain details of proposed new road link were established. The applicant is providing an addendum to the transport statement concerning traffic modelling to support this application and LU/47/11. However, the following information is required to enable the County Council to assess the impacts of the development:

- highway design history and review, including details of how departures from standards have been addressed
- evidence that the proposals have been subject to a road safety audit
- evidence that adjustments to highway layouts since October 2009 have been reviewed and accepted by a road safety auditor.
