1st June 2012

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Outline Application for the construction of the "Fitzalan Link Road" between the A259 Worthing Road & the East Street/Fitzalan Road roundabout - This application affects a Public Right of Way
Fitzalan Link Road Littlehampton

Thank you for your internet representation made on 31st May 2012 which has been recorded as an objection with the comments as follows:

I'm guessing it is probably to late to comment on this planning application, but on the off chance it isn't I would like to state my objection. When I have shown the Old School Field to people, they are amazed at how such a large piece of land could stay hidden and how lovely it is, but as soon as I mention the Fitzalan Link road the replies are all the same. Everyone, people who use it everyday or people who have only recently discovered it all say it is a shame to lose such a beautiful field and that this road is not needed. I think the general concensus is that taxpayers would rather have their money spent on the Lyminster bypass than this. Most of the people who use the field like it as it feels like a little bit of countryside hidden in the heart of town and it will be a great loss to everyone, young and old. Another concern is that should this road go ahead, how will the pollution levels affect the school children, what with the road being so close. The Old School Field is loved by many people for many different reasons, and I for one will be very sad to see it go. Yours sincerely Miss J McCarthy

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and may publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be
