Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Outline Application for the construction of the "Fitzalan Link Road" between the A259 Worthing Road & the East Street/Fitzalan Road roundabout - This application affects a Public Right of Way
Fitzalan Link Road Littlehampton

Thank you for your internet comments made on 16th August 2011 and recorded as follows:

*The Town Council raised no objection to this application but would like to make the following comments:
Road width insufficient.
Would like to see double yellow lines and no parking on both sides.
Bus layby - suggest the stop on the west side is opposite the one on the east side.
Are the crossing facilities for the road adequate?*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
