Dear Mr Campbell

We have been contacted by your applicant requesting us to back date the application to the date that the original application was submitted following your email of 2 April which clarified the position of the proposed extension and the passageway. It is now clear that the plans are correct and therefore the application has been backdated to 13 March and not 3 April as the original email generated earlier today indicated. I have attached an amended acknowledgement letter confirming this. We have also updated our records with your email address.

Whilst I am responding directly to your client on this particular issue, I have pointed out that future contact on his application should come through you until such time as you instruct as that you are no longer acting on his behalf.

I apologise for any inconvenience this may have caused you.

Yours sincerely

Nicola Spencer
