Thank you for your application received on 13th March 2014. I am writing to acknowledge that it was accepted as a valid application on 3rd April 2014. On receipt of this letter if you have any concerns about the way that the Council has described your application you should contact the Case Officer: Mr D Sullivan, who will be dealing with your application, to discuss the matter.

The Council will publicise this application by means of a site notice on or near the application site and on our website. The notice needs to be displayed for not less than 21 days. During this time I hope you will do all that you can to ensure that it is not removed or defaced and that it is removed at the end of the specified period. If there are any problems with regards to the site notice (e.g. vandalism), please contact your Case Officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 8th May 2014.

You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning.

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 29th May 2014. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

As this application is for a householder development in Littlehampton, it may be determined by Littlehampton Town Council under delegated authority. This means that your application may be considered at a Town Council meeting by Littlehampton Town Councillors. If this is the case I will write to you again to advise you of when the meeting will be held and the procedure to register to speak at the meeting. Arun District Council will continue to deal with all other aspects of processing the application and all enquires should be directed to the case officer.
