Dear James

Further to our telephone conversation please find attached a revised drawing and a Flood Risk form for the above.

As discussed, please accept this instruction to amend the description to read. 'Single storey rear extension to Ground Floor flat'. Our client is not now looking to divide the flat into two dwellings.

I have sent the form on the instruction of Katherine McCloud at the EA. Also I wonder if you would contact Littlehampton Town Council to establish whether they could now remove their objection to the scheme as no new dwelling will be formed.

I appreciate your soonest confirmation on this.

Many thanks

Liz
