Dear Mr Jones

RE- 72 South Terrace Littlehampton -- Planning Application LU/68/11

The above scheme has now been amended so that a new dwelling is not being formed, but the existing dwelling is being extended.

As there will no longer be a requirement for an Affordable Housing Contribution Agreement, could I assume that the legal fee of £450.00 already paid by my client is refundable?

I would appreciate your kind attention to this matter.

Yours sincerely

Liz Galloway
