Dear Ms Galloway ,

72 South Terrace Littlehampton

Thank you for your letter dated 22 September 2011.

You ask if the fee of £450 is refundable . The fee is for work already substantially completed. It is your client's choice not to have progressed to final completion. Accordingly the fee is not refundable.

I have copied this letter to the Planning Case Officer, as I note, you have copied yours.

Yours sincerely,

Delwyn Jones
