Dear Sir / Madam,

**LAND AT LINESIDE INDUSTRIAL ESTATE NORTHWEST OF UNIT 26, ELDON WAY, BN17 7HE –
APPLICATION TO DISCHARGE CONDITION 7 PURSUANT TO PLANNING PERMISSION REF: LU/331/17/PL**

On behalf of our client, Hollis Global, please find enclosed details pursuant to Condition 7 of planning permission ref: LU/331/17/PL granted on 24th July 2018. The details submitted relate to details of external lighting.

The following has been submitted to satisfy the discharging of this condition:

- Application Form;
- This covering letter;
- External Services Layout – Drawing No. 3430/E4 Rev P2;
- Lighting Unit Specifications; and
- Details of Baffles and Timers.

As it is not possible to change the colour of the lighting, mitigation measures such as the installation of baffles and the use of timers is proposed in order to address the reason for refusal on the previous application to discharge Condition 7 (ref: LU/352/21/DOC).

These documents have been submitted via the Planning Portal under the reference PP-11079649. The required application fee of £116 has also been paid via the Planning Portal.

I trust the above is clear and I look forward to receiving notification that the application has been validated in due course. However, should you have any further queries in relation to the enclosed information then please do not hesitate to contact me.
