Dear Mr Naish,

I have been examining the above certificate of lawfulness and believe that the proposed development accords with the limitations of Schedule 2, Part 1, Class B of the Town and Country (General Permitted Development) Order 2015 (as amended).

However, I would be grateful if you could please provide confirmation that the window situated in the southern elevation of the proposed dormer will be obscurely glazed and non-opening below 1.7 from floor level of the room in which the window is installed.

Yours Sincerely,

David Easton
