Application to prune Bay tree in Conservation Area

36, Western Road, Littlehampton, BN17 5PG

The Bay tree is located in the back garden of 36, Western Road, Littlehampton and is the only tree in the garden.

Planning permission was granted on the last occasion on which the tree was pruned under your reference LU/73/00/TC-EH/SDB received by you on 13th March 2000. A plan of the location of the tree was included in that application and a copy is attached.

The tree has now grown considerably and is again interfering with telephone cables and the guttering of 4 South Passage, the house adjacent at the rear of the property. It also now restricts sunlight into most of the garden and rear of both 36 and 34 Western Road.

On this occasion I wish to reduce the height of the tree to about one third of its present size, leaving a large, attractive, bush growth in the garden from which to regrow; but which will also allow it to be contained in height to ensure a sunny garden in future.

I will employ a qualified tree surgeon to carry out the work if permission is given.

Should you need to contact me please ring me on [REDACTED] email me as above.

With thanks for your help in this matter

Yours faithfully

REF: LU/71/10/TC
 DESC: Reduce height of 1No. Bay tree by one third (within the Littlehampton Conservation Area).

David Warne
