Hi Zac

This is a modern industrial unit on a relatively modern business park. There is currently a shortage of good quality, medium sized industrial premises in the area and Economic Development are committed to retaining as many of these as possible for industrial use. We are not aware that there has been any issue with letting this premises that would mean we could consider it appropriate for that reason. Neither have we been contacted by the applicant to assist in a search for premises. Economic Development object to this application.

Hi Miriam,

Do you have any comments regarding LU/72/18/PL? It is a change of use from B2 to D2 within Wickham Business Centre.

Kind regards,

Zac
