Hi Simon

Please could you add the following to the ED comment on the above application.

Thank you

Miriam

Whilst Economic Development remains concerned over the impact of this proposed development on the local facilities in Wick (as per our previous comments) and our mitigation request remains, we do acknowledge the provision of light industrial units. Littlehampton has a shortage of good quality mid-size industrial units and the provision of these is a welcome addition to the application.

Miriam Nicholls
Business and Economy Manager, Economic Development
