Dear Megan,

The following consultees are outstanding:

Environment Agency  
Natural England  
Environmental Health  
Parks and Landscapes  
Council's Arboriculturist

I will give the latter three a chase next week, but I don't consider the NE or EA responses to be important, and in the case of the latter I am unsure why it was requested.

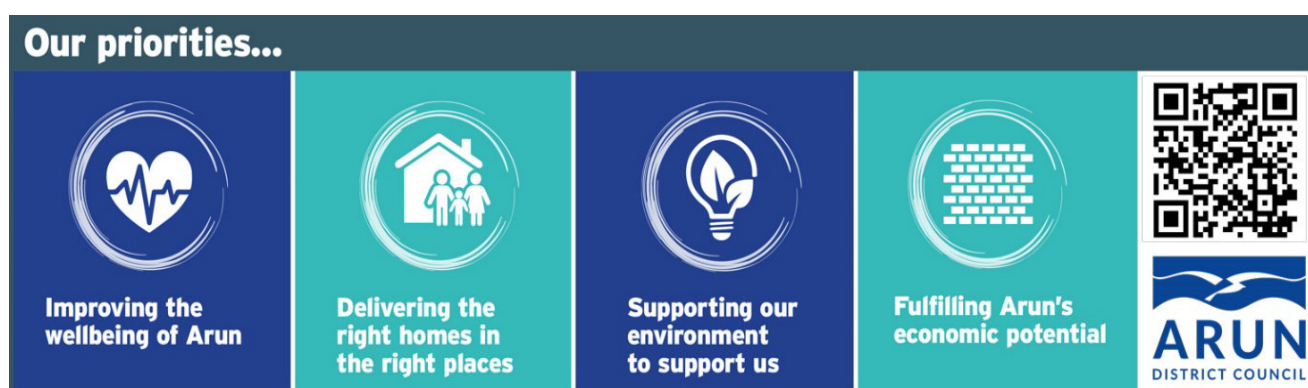

We have had the RIA quotes back (deadline was yesterday) and will now discuss these internally. I would hope that we have made a decision by the end of next week so can instruct the consultant.

The Bodyshop application has been registered – LU/93/25/PL. It is with a different officer, but we are working closely.

Simon

Hi Simon,

I hope you are well.

Today is the final day of the consultation period for the Hybrid Scheme at Wick, Littlehampton.

I note we have received several statutory consultee comments to date, which we are working to address, however please can you advise which other consultees we are still awaiting comments from?

Please can you give these outstanding comments a chase, as we are looking to update the plans addressing all comments in one go, and would like to get this resolve in the next couple of weeks.

Please can you also provide an update on the independent RIA appointment?

In addition to the above, are you able to provide an update on The Bodyshop Site? I note the building is currently being demolished.

Happy to chat through on the phone if that’s easier – thanks.

Kind Regards

**Megan Smith MRTPI (she/her)**
