Dear Emma,

Further to the below, please can you provide an update on the Nexus comments and let us know if we will be at the February Planning Committee?

We note that the LLFA has removed their objection and is recommending the scheme for approval, subject to conditions – which is good news.

We have put together the attached technical note regarding the SuDS principles. Please can this be uploaded to the planning register.

We are now just waiting on additional comments for the Arun Drainage Engineer and Nexus comments.

Thanks

Kind Regards,

Megan Smith
