Thank you for your internet representation made on 2nd May 2025 which has been recorded as an objection with the comments as follows:

OWPC76174

The traffic that already uses courtwick lane is ridiculously heavy. Because cars can park on the lyminster road approach the traffic backs way up the road, is really dangerous and it could not cope with this proposed development. There is no need for a retail development on this site. The infrastructure is just not there to cope with the additional traffic at all hours of the day and evening. Add to that the amount of rubbish that will be discarded the site is just wrong

Your views as made above will be considered before the application is determined.
